issued by (inspector) _____ on ☐☐/☐☐/☐☐

in respect of the

mine name _____

at _____

OR

occupation of the residential premises at _____

2. A copy of the prohibition notice is attached

3. I am referring the notice in my capacity[2] as

☐ the person issued with the notice ☐ the principal employer at the mine ☐ the manager of the mine

4. The referral is made on the following grounds

_____

Attach separate sheets if required

Signature of referrer _____ Date ☐☐/☐☐/☐☐

Address _____

Note

1 By section 31AY(3)(b) of the Act the time limit for referring a prohibition notice for review is 7 days after the day of its issue, but the State mining engineer has the power to extend that limit.

2 Section 31AY(4) of the Act requires a referrer who is not the manager of the mine to give a copy of this form duly completed to the manager as soon as practicable.

According to section 31AU of the Act, a copy of this request must be attached to the mine record book

A copy of the prohibition notice must be attached to this request
