

CONCORDANCE TABLE

SCHEDULE SPECIFIC REQUIREMENTS AS TO PETROLEUM EXPLORATION AND PRODUCTION WESTERN AUSTRALIAN COASTAL WATERS 2007

PART I – INTRODUCTORY		
101	Application of Direction	No longer necessary.
102	Contents	No longer necessary.
103	Definitions	Relevant definitions included in P(SL)(RMA) Regs, P(SL)(Env) Regs and P(SL)(MoSoF) Regs.
104	Tests	No longer required.
105	Codes, Standards, Specifications	No longer required. There are references to specific codes, standards and specifications in the P(SL)(RMA) Regs, P(SL)(Env) Regs and P(SL)(MoSoF) Regs.
PART II - GENERAL		
Division 1 - General Requirements		
202	Emergency manual	Covered in reg 31 of P(SL)(MoSoF) Regs as part of a SMS. Also covered in reg 15 of P(SL)(Env) Regs as part of requirement of an Oil Spill Contingency Plan in the implementation strategy for an EP.
204	Availability of directions	No longer necessary.
220(2)	Oil spills	Covered in P(SL)(Env) Regs as part of requirement of an environment plan.
285	Reporting escape or ignition of petroleum and other material	Covered in clauses 71 and 72 in Schedule 5 of the P(SL)A 82 and in regs 44 and 45 in the P(SL)(MoSoF) Regs. Also covered in reg 28 of P(SL)(Env) Regs and in Daily Well Activity Reports under reg 71 and Schedule 4 in the P(SL)(RMA) Regs.
286	Reporting of emergencies (Not in Schedule)	Covered in clauses 71 in Schedule 4 of the P(SL)A 82 and in regs 52 and 53 in the P(SL)(MoSoF) Regs.
PART IV - GEOLOGICAL AND GEOPHYSICAL ACTIVITIES		
Division 1- General Requirements		
401	Geological and geophysical surveys approval	No longer required as covered in Part 2 in the P(SL)(RMA) Regs.
402	Seismic energy sources	No longer required as covered in Part 2 in the P(SL)(RMA) Regs.
403	Person in command	Required as part of a SMS in reg 19 of P(SL) (MoS) Regs.
Division 2 - Reporting and data submission		
450	Basic data retention and lodgement	Covered in regs 75, 76, and 77 and Schedules 10, 11, 12, 13, 14, and 15 of the P(SL)(RMA) Regs.

451	Clear labelling of data	No longer required.
452	Periodic reports	Weekly survey reports are covered in reg 74 and Schedule 9 of the P(SL)(RMA) Regs. Other survey reports covered in regs 75, 76, and 77 and Schedules 10, 11, 12, 13, 14, and 15 of the P(SL)(RMA) Regs.
453	Survey data submission	Covered in regs 75, 76, and 77 and Schedules 10, 11, 12, 13, 14, and 15 of the P(SL)(RMA) Regs.
454	Final reports on wells and surveys	Final well activity reports are now covered in reg 72 and Schedule 6 of the P(SL)(RMA) Regs and well completion reports are at reg 73 and Schedule 8. Final survey reports are now covered in regs 75, 76, and 77 and Schedules 10, 11, 12, 13, 14, and 15 of the P(SL)(RMA) Regs.
455	Cores, cuttings and fluid samples	Covered in reg 79 of P(SL)(RMA) Regs.
456	Reports on cores and cuttings	Covered in reg 79 of P(SL)(RMA) Regs.
PART V - DRILLING		
Division 1 - General Requirements		
501	Approval to drill	Covered as part of WMP for P(SL)(RMA) Regs.
502	Equipment	Covered as part of SMS for P(SL)(MoSoF) Regs and in WMP for P(SL)(RMA) Regs.
503	Well casing	Covered as part of WMP for P(SL)(RMA) Regs.
504	Cementing of casing strings	Covered as part of WMP for P(SL)(RMA) Regs.
509	Formation integrity testing	Covered as part of WMP for P(SL)(RMA) Regs.
510	Formation pressure monitoring	Covered as part of WMP for P(SL)(RMA) Regs.
511	Drilling fluid	Covered as part of WMP for P(SL)(RMA) Regs.
512	Approval for production or drill stem tests	Covered as part of WMP for P(SL)(RMA) Regs.
513	Approval to abandon or suspend a well	Covered as part of WMP for P(SL)(RMA) Regs.
514	Abandonment of a well	Covered as part of WMP for P(SL)(RMA) Regs.
515	Suspension of a well	Covered as part of WMP for P(SL)(RMA) Regs.
516	Disposal of drilling fluids	Covered in P(SL)(Env) Regs as part of requirement of an environment plan.
517	Deviation and directional surveys	Covered as part of WMP for P(SL)(RMA) Regs.
Division 2 - Reporting and Data Submission		
550	Discovery of petroleum and estimate of petroleum in-place	Discovery Assessment Reports covered in Part 4 of P(SL)(RMA) Regs.
551	Daily report of drilling operations	Covered as part of Daily Well Activity Reports in reg 72 and Schedule 5 in the PGER (RMA) Regs.
552	Weekly report of drilling operations (Not in	Not required

	Schedule)	
553	Report on modification, abandonment or suspension of a well	Covered as part of Daily Well Activity Reports in reg 71 and Schedule 4 in the P(SL)(RMA) Regs.
PART VI - PETROLEUM PRODUCTION		
Division 1 - General Requirements		
601	Consent for production equipment and recovery of petroleum	Covered as part of WMP for P(SL)(RMA) Regs and SMS under P(SL)(MoS) Regs.
602	Other operations	Covered as part of WMP and FMP for P(SL)(RMA) Regs.
608	Workover of wells	Covered as part of WMP under P(SL)(RMA) Regs.
609	Rate of recovery of petroleum	Covered as part of FMP for P(SL)(RMA) Regs.
610	Production tests on producing wells	Covered as part of FMP for P(SL)(RMA) Regs.
611	Surface connections	Covered as part of WMP and FMP for P(SL)(RMA) Regs.
612	Production from more than one reservoir from one well	Covered as part of FMP for P(SL)(RMA) Regs.
613	Production from more than one reservoir from more than one well	Covered as part of FMP for P(SL)(RMA) Regs.
614	Measurement of petroleum and water	Covered as part of FMP for P(SL)(RMA) Regs.
615	Approval to flare	Covered in Part 6 of P(SL)(RMA) Regs and also in P(SL)(Env) Regs.
616	Pollution	Covered in P(SL)(Env) Regs as part of requirement of an environment plan.
617	Wireline operations in wells	Covered as part of WMP under P(SL)(RMA) Regs.
618	Sampling petroleum streams	No longer required.
619	Meter proving	Covered in s148 of P(SL)A 82.
Division 2 - Reporting and Data Submission		
650	Programme of work	Covered in Part 5 and Schedule 2 in the P(SL)(RMA) Regs.
651	Estimate of recoverable and in-place petroleum	Covered in Part 5 and Schedule 2 in the P(SL)(RMA) Regs.
652	Monthly production report	Covered in reg 78 and Schedule 16 in the P(SL)(RMA) Regs.
653	Reports on wireline surveys	No longer required.
655	Records of petroleum in discharged formation water	Covered in reg 34 in the P(SL)(Env) Regs.
