

Accredited consultant's certificate – explosives licence applications

This certificate has been completed to fulfil the requirements of regulation 157(8) of the Dangerous Goods Safety (Explosives) Regulations 2007.

Application for a licence for:

Applicant name

Licensed site location / address

Explosives licence type

In accordance with regulation 157(8) I certify that for the above licence application:

- I have read the application
- I am satisfied that the application complies with regulation 157
- if the application is accompanied by a document for the purposes of subregulation 157(5), I am satisfied the document complies with that subregulation
- I have read the explosives management plan
- I am satisfied that the plan complies with regulation 161
- I have done a risk assessment of the activities this licence will authorise, having regard to section 8 of the Act, and I am satisfied the applicant has taken or will take all reasonably practicable measures to minimise the risk to people, property and the environment in relation to the explosives to which the licence would relate
- If the licence relates to a site, I am satisfied that the site can be operated in accordance with these regulations
- I am satisfied that the explosives to which the licence would relate will be secure.
