CIRCULAR TO PRACTITIONERS

No. 2 of 2023

Dear Practitioners

RE: CIRCULAR IN RELATION TO NOTIFICATION OF TEMPLATE FORMS

We write to advise practitioners as to a resource which is now available through the Warden's Court portal on the departmental website.

In this respect, consideration has been given to the creation of template forms to enable the efficient administration and processing of consent orders and programming of matters. It will be noted in particular, that there is a template provided in respect of what is commonly referred to as an MOPD. In the event that practitioners have a view as to the correctness or otherwise or the approach proposed to be taken, practitioners are invited to provide written feedback to the Warden's Court.

Please note however any written feedback which is provided may be posted in a public manner so as to facilitate further discussions and submissions being made by interested parties as to how the efficient conduct of the jurisdiction may be achieved.

Yours faithfully
