Signature of declarant

Before me (signature of witness)

Name of witness

Address of witness Postcode

Title or qualification of witness

5. Checklist (please tick the boxes to ensure your submission is complete)

The Mines Safety and Inspection Regulations 1995 [rr. 2.27(2) and 2.28(2)] requires the applicant to submit the following documentation.

- Evidence of attaining minimum age of 21 years (e.g. passport or driver's licence)
- Character reference
- Evidence of medical fitness (e.g. Winding Engine Driver's Health Certificate)
- Application fee
- Evidence of assisting under the supervision of a qualified person*:
 - knowledge of ancillary equipment normally associated with winding engines
 - carrying out the duties of a platman, skipman, or set rider, including shaft maintenance and shaft repairs for not less than 12 hours per week over a period of not less than 6 weeks

For Class I applicants

- driving an electric winding engine fitted with dead weight power operated brakes or multi-spring applied unit brakes. Operated by an electric motor not less than 75 kW for a period of not less than 300 hours at the rate of not less than 12 hours and not more than 40 hours per week

For Class II applicants

- driving a winding engine driven by a power source having a power input of not more than 75 kW and not less than 25 kW for a period of not less than 300 hours at the rate of not less than 12 hours and not more than 40 hours a week

* letters of experience must be provided and signed off by a responsible officer of the company in which experience has been gained using company letterhead. It should include precise details of the types of duties and dates associated with each.

Experience records in the form of Statutory Declaration may be acceptable only in the original experience document from a mine cannot be obtained. Inquiries, if conducted, to establish accuracy of experience given in the form of a Statutory Declaration may cause delays in the finalisation of a decision on your application.
