

**DEPARTMENT OF MINES AND PETROLEUM
CO-FUNDED GOVERNMENT – INDUSTRY DRILLING
PROGRAM (2009 – 2010)**

PROPOSAL APPLICATION FORM

Name of applicant

Address and registered office of applicant

.....

.....

.....

ACN of applicant

ABN of applicant

Contact person

Contact telephone number

Contact email address

Names and positions of

signatories to the funding

Agreement

Drilling project title

Tenement number for proposed drilling

Tenement holder for proposed drilling

GSWA Combined reporting number

Signature of applicant

Date

OFFICE USE	PROPOSAL NUMBER
Date received by Geological Survey Division	
Date received by Environment Division	

PROPOSED PROGRAM

(Brief summary of proposed co-funded drilling program)

Exploration target: Mineral/Petroleum/Geothermal

Exploration target commodity

Exploration methods used to establish drilling target

.....

.....

Tectonic Unit

Number of holes proposed

Estimated metres to be drilled

Drilling types proposed (e.g. Diamond, RC)

Coordinates of proposed drillhole(s) (GDA/MGA94)

.....

.....

.....

Estimated total drilling costs

(Direct drilling costs only: specify if exclusive or inclusive of GST) \$.....

Amount of funding requested *(including GST)* \$.....

Estimated drilling program start date and duration

(N.B. Co-funded drilling programs are to be completed by 30th June 2010)

Start date

Duration

PROJECT PROPOSAL

“Project Proposal”

The document is to address the Assessment Criteria for proposals (see Section 7 of Guidelines for Submission of Proposals)
