

## APPLICATION REQUIREMENTS FOR LISTING AS AN “APPROVED SURVEYORS”

An applicant must make written application to Director, Mineral Titles Group, Department of Mines and Petroleum to be included on the “List of Approved Surveyors”, and provide documentary proof of the following essential criteria:-

- Must be a Licensed Surveyor recognised by the Land Surveyors’ Licensing Board (LSLB), under the Licensed Surveyors Act 1909.
- Must hold a current Practising Certificate recognised by the LSLB, by attending sufficient industry seminars and workshops to maintain the required accreditation points in each calendar year.
- Must hold current personal or employer’s professional indemnity insurance.
- Must include a brief resume of relevant work experience in the survey industry, and provide some examples of recent cadastral survey work.
- Preferably include a reference from a surveyor with whom you have been working under direct supervision, and is currently on the “List of Approved Surveyors”. (desirable)
