

List of recognised shotfirer training course providers

(as at April 2012)

The following lists only those training course providers that are accredited to deliver national units of competency for blasting (RIIBLA) as listed in the table below.

Prospective shotfirer trainees should only obtain training from these organisations as no other training will be accepted by the Department as evidence of competency for a shotfirer licence application.

	Application	Units of competency
1	For all surface operations outside of town boundaries	RIIBLA205A – Store, handle and transport explosives RIIBLA301A – Conduct surface shotfiring operations RIIBLA305A – Conduct secondary blasting
2	For all surface operations inside <i>and</i> outside of town boundaries	RIIBLA205A – Store, handle and transport explosives RIIBLA301A – Conduct surface shotfiring operations RIIBLA305A – Conduct secondary blasting RIIBLA402A – Monitor and control the effects of blasting on the environment
3	For all underground operations except underground coal operations	RIIBLA205A – Store, handle and transport explosives RIIBLA303A – Conduct underground development shotfiring RIIBLA304A – Conduct underground production shotfiring RIIBLA305A – Conduct secondary blasting
4	For all underground coal operations	RIIBLA205A – Store, handle and transport explosives RIIBLA302A – Conduct shotfiring operations in underground coal mines RIIBLA305A – Conduct secondary blasting

Name of training course provider	Contact	Type of training provided (as per table above)
