

CHANGES TO INSPECTORATE BOUNDARIES AND REPORTING STRUCTURE FOR MINES SAFETY

Following a recent major review of the Mines Safety Branch, the mines inspectorate boundaries have been amended as indicated on the enclosed map (*also available on the Department's website at <http://www.dmp.wa.gov.au/ResourcesSafety> in the "Legislation and Policy" section*).

Three new inspectorates have been formed and will be managed by the recently appointed Regional Inspectors:

Regional Inspector (North):	Mr Andrew Chaplyn
Regional inspector (West)	Mr Andrew Harris
Regional Inspector (East):	Mr Trevor Jones

Several teams have also been formed within these inspectorates, as listed below.

North inspectorate:

Port Team:	All WA ports deemed part of a mining operation Team Leader - Mr Michael French (Perth Office)
Plant Team:	Most large scale and complex process plants Team Leader - Mr Brett Boneham (Perth Office)
Mining Team:	Team Leader - Mr Peter Rohan (Perth Office)

East inspectorate:

North East Team:	Team Leader - Mr Michael Telford (Kalgoorlie Office)
South East Team:	Team Leader - Mr Marius Hanekom (Kalgoorlie Office)

West Inspectorate:

Mid West Team:	Team Leader - Mr Andrew Extract (Perth Office)
South West Team:	Team Leader - Mr Tony Robertson (Collie Office)

Each Registered Manager will be notified shortly regarding the contact person and District Inspector allocated to their operation.
