

**APPLICATION FOR APPROVAL TO
 DRILL AN OFFSHORE WELL (PGERA67)
 INTERNAL WATERS**

1. Title Number		
2. Titleholder (Operator)		
Company		
Phone	Fax	
Postal Address		
Suburb	State	Postcode
3. Contact person regarding this application		
Name		Position Held
Phone	Fax	Email
4. Details of well		
Well Name		Well type (in accordance with AAPG classification)
Latitude	Longitude	Origin/Datum of co-ordinates
Map Sheet Name		Graticular Block number
Proposed Total Depth		Estimated cost
Scheduled commencement date		Estimated days of drilling
5. Drilling contractor		
Company		
Postal Address	State	Postcode
Phone	Fax	
Name of drilling rig		Type of drilling rig
6. Signature of applicant or agent (Agent should demonstrate proof of authority)		
Sign		Date

7. Accompanying information required (3 copies of each, or as otherwise stated)

Contact details for enquiries relating to each of the following are referenced in Attachment 1.

- Location map A4 size, showing the well in relation to the mainland, nearby islands and title boundaries, containing a scale and longitudes and latitudes.
- Geological Prognosis, with seismic map and section(s).
- Drilling Programme.
- Evidence of the current titleholders well insurance (1 copy).
- Oil Spill Contingency Plan (OSCP) or relevant updates
- Environmental Management Plan (EMP)
- Check if a Native Vegetation Clearing Permit is required (see Attachment 1 for contact details).
Note: A Clearing Permit can take a minimum of 3 months to be issued
- Details of how this proposed well contributes to your work commitment for the title (exploration titles only) (1 copy).
- I am aware of and have actioned the following as applicable:
 - Guidelines to Clearing Permit Applications in Western Australia
 - Environmental Assessment Processes for Petroleum Activities in Western Australia
 - Schedule of Onshore Petroleum Exploration & Production Requirements 1991
 - Schedule of General Requirements for Occupational Health and Safety 1993
 - Guidelines on the use and management of drilling fluids and cuttings

8. Timing of submission of application

To allow for timely approval and consideration of factors such as environmental assessment and land access issues, it is recommended that applications be submitted **3 months** prior to commencement of operations.

FOR BETTER SERVICE

The DMP considers an application to be formally submitted on the date that all required information is received. The provision of all of the required documentation will enable us to provide you with a better service, and assist in timely approval. If sufficient detail is not provided in your submission, it may be returned with a request to resubmit a completed application.

Notes: The attention of the applicant is drawn to the requirements of the Schedule of Onshore Petroleum Exploration and Production Requirements 1991.

Approval issued by the Executive Director of Petroleum and Environment Division does not remove any obligations you may have under other legislation.

APPLICATION TO BE MADE TO:

EXECUTIVE DIRECTOR
PETROLEUM AND ENVIRONMENT DIVISION
DEPARTMENT OF MINES AND PETROLEUM
MINERAL HOUSE, 100 PLAIN ST
EAST PERTH WA 6004

ATTENTION: SENIOR TITLES OFFICER
