Manage My Account

The Department of Mines and Petroleum provides a single-access account for many of our Online Systems.

Please choose an option below, or from the right menu:

- [Register](#) to create an account, or;
- [Manage My Account](#) to modify your account details including email address.
- [Forgotten Password](#) to reset your single sign on password.

If you need assistance with any DMP computer systems please contact the [IT Service Desk](#).
