Consistent with State Government requirements, the department's Annual Report is published in electronic format with limited use of graphics and illustrations to minimise download times. The department encourages people to use recycled paper if they print a copy of this report or sections of it. For reader convenience, the annual report is presented in chapters and can be downloaded by chapter or as the entire document.

The Annual Report is presented in PDF format. Wherever you see *Read more* this represents that there is an interactive link available. All sections, except the financial statements, are also presented in Microsoft Word format. The report is available from www.dmp.wa.gov.au.

This publication is also available on request in alternative formats such as compact disc, audiotape, or Braille, for people with disabilities.
