*Note: See page 2 for further information and attachments required

To successfully submit an application for a Petroleum Retention Lease, the application must be made in the approved manner, which includes completion of this form, must be accompanied by the prescribed fee, and also include submission of detailed attachments providing the following information:-

- (a) A plan showing particulars of the location to which this application relates, the location blocks in respect of which any previous application for a licence or variation of a licence has been made and of the blocks in respect of which this application is made.
- (b) Particulars of the applicant's proposal for work and expenditure in respect of the area comprised in the blocks specified in this application.
- (c) The commercial viability of the recovery of petroleum from the area comprised in the blocks specified in the application at the time of application, and particulars of the possible future commercial viability of the recovery of petroleum from that area.
- (d) The prescribed fee, stated in the Schedule of Fees, is to be made **payable to the Department of Mines, Industry Regulation and Safety** through an Australian Bank or by Australian bank cheque and must be submitted with the application. Fees are non-refundable and subject to variation (including Consumer Price Index adjustments) and the current Schedule of Fees must be consulted prior to payment.
- (e) A statement of any other matters that the applicant wishes the Minister to consider.
- (f) Where additional information is required to be entered on the form, (e.g. Company Names, etc) please use an Appendix and submit online with this form.

SUBMISSION OF APPLICATION

Application, together with supporting data and the prescribed fee (as described above), should be submitted online through the Petroleum and Geothermal Register (PGR).
