

Exploration safety

a free information session

Monday, 30 July 2018

Level 9 Theatre, Mineral House
100 Plain Street, East Perth

Who should attend?

Those who have functions and responsibilities to ensure exploration is done safely are encouraged to attend this information session organised by the Department of Mines, Industry Regulation and Safety.

What is it about?

This free information session will cover:

- the expectations of the regulator in relation to exploration safety
- moving from exploration to operation
- how to promote best practice in the exploration sector
- how the code of practice for *Emergency management for Western Australian mines* relates to exploration

Program

Time	Topic
8.30 am	Registration
9.00 am	Setting the scene with the Regional Inspector
9.45 am	Expectations from the regulator
10.30 am	Morning tea
11.00 am	<i>Emergency management for Western Australian mines – code of practice</i>
11.45 am	Towards best practice – an industry perspective
12.30 pm	Opportunities for improvement
12.45 pm	Closing remarks
1.00 pm	Close

How do you register?

- Although there is no registration fee, pre-registration is required to reserve your place.
- Email your registration indicating your name, company and contact details to SafetyComms@dmirs.wa.gov.au
- Early registration is recommended. Seats are limited and places are subject to availability and a place is not guaranteed.
- If you register and subsequently are not able to attend, please advise as soon as possible at SafetyComms@dmirs.wa.gov.au or 08 9358 8154.
